

Information on the Admission Process of the Study Programme

International Business Management (B.A.)

Admission to the study programme International Business Management (IBMAN) is based on a selection procedure. Within this procedure, only applicants complying with the following requirements will be considered:

1. **University entry qualifications**

- Academic qualifications meeting the general requirements for admission to a University or University of Applied Sciences

- professional qualifications allowing University admission as specified in §11 of the Law on Institutions of Higher Education in the State of Berlin (Berliner Hochschulgesetz - BerlHG)

All applicants with a non-German university entrance certificate have to apply and obtain recognition through uni-assist (www.uni-assist.de).

2. **Foreign Language Proficiency**

The International Business Management programme has a strong international focus with regards to both content and language. The language of instruction of the entire programme is English. Hence, the admission to the programme is amongst others bound to the fulfilment of certain minimum foreign language proficiencies. Apart from excellent English skills, applicants whose native language is not German need to bring proof of basic German skills. Applicants with German as their native language need to prove proficiency in either French or Spanish next to English.

3. **Motivation Letter**

The application must contain a motivation letter in English explaining clearly why the applicant has chosen to study International Business Management. The letter should not exceed 300 words/ one A4 page.

4. **Curriculum Vitae / Resume**

The application must contain a CV / resume in English or German language of about the length of one page.
